Principal's Message

We wish to express our sincere thanks to the annual staff and to all who have helped for their diligent effort in which they have performed in making the 1958 "Bright Leaf" a tremendous success. We feel that the educational experiences that have been yours in planning and assembling this material will be of inestimable value to you in the future.

It is our sincere hope that you who are leaving, and you who shall remain will have nourished your hopes and dreams. We also hope we have helped plant in you the desire to become the worth while citizen and leader we know you are capable of being.

Sincerely yours,

T. K. Kinsey
